Moved Dialoguing of Dramatic Rendition of "Dinner for the Boss"

A moved dialoguing of the dramatic rendition of Bhisham Sahni's short story "Dinner for the Boss," part of the curriculum of BA-I Year Compulsory English was done by a group of students under the mentorship of Dr Veena Sharma, Assistant Professor in English in the compulsory English class on 12/12/2023. In it different characters were played by some students of BA-I Year who were directed by Nidhi, student of BA-I Year itself to do a moved dialoguing of the story. This activity was on the one hand a great chance of discovering the acting and direction skills of the students and of understanding the text in deeper details on the other. All the students thoroughly enjoyed this activity.
