

Organizational Discussion through Group and Paired Presentations

Group and paired presentations on different topics from the syllabi were given to BA-II Year students (Compulsory and DSC) by Dr Veena Sharma, Assistant Professor in English. The main objective was to encourage organizational discussion during the task and also support those who are less confident in speaking in English through the use of presentations like PowerPoint, Oral presentation, Poster presentation, Paper presentation, etc. The pairs and groups of learners carried out their own research on the topics given and then presented their findings to the class. The platform was then let open for discussion with rest of the class. The students also learnt collaborative working as a team and enhanced their social skills and learning abilities. These presentations were given on 30/11/2023, 07/12/2023, 13/12/2023 and 16/12/2023 respectively in BA-II Year Compulsory English and DSC classes.

Bhanupriya of BA-II Year (Compulsory English) leading her group in the discussion on "Climatic Change and Human Strategy"
