Respected Main

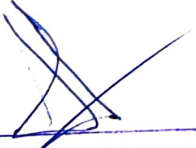

Sub: Seeking permission to celebrate 'Ozone day'.

With due regard, it is humbly submitted that department of Geography wants to celebrate 'International Ozone Day' on 16th September 2023 as a part of departmental activity. On this day following programmes have been decided to take place:

- ① Invited lecture by the resource person
- ② Poster making and Slogan making competition on 'Global Warming, Climate Change and Disaster in Himalayas'.

In this regard you are humbly requested to give your consent and permit us to celebrate this function. You are also requested to allow us to use Conference/Seminar Hall and technical gadgets if required.

Thanking you in anticipation

Dr. ADARSH SHARMA
Asstt. Prof. (Geography)

A REPORT

On the occasion of 'World Ozone Day' on 16th September 2023, the department of Geography, G. C. Arki, organized a programme. In this programme Poster Making competition and Slogan Writing competition were organized. A special lecture on "Fixing the Ozone Layer and Reducing Climate Change" was also delivered by the invited resource person Dr. Khyal Chand, Assitt. Prof. G.C. Seraj. He talked about the stratospheric Ozone, Greenhouse gases, ozone depletion factors, Cfc, Montreal Protocol etc. Students of geography department also made interaction with resource person. Among the competitions, Akanksha of B.A. III, Bhumika of B. SC. III secured first position in poster making while Archana Sharma of B.A. I and Usha Thakur of B.A. III got 2nd position. Tanisha Gupta of B.Sc. III was awarded with third position. In the Slogan Writing competition, Bobby Verma of B.A. III got 1st position, Tania Kanwar secured 2nd and Navita ranked 3rd. The certificates of winner were distributed by the principal of the college Prof. Sunita Sharma. She also chaired the valedictory session. In her remarks she appreciated the endeavor put in by the students in poster and slogans. She also praised the student of the department. She said that Ozone layer has very important role for sustainability of human society and such programmes sensitize the youths who would be future stakeholders for sustainable development works. She also expressed thanks to invited speaker Dr. Khyal Chand for delivering his intellectual remarks and apprise the students about fixing ozone layer and reducing climate change.

In the end Dr. Dhan Dev and Dr. Adarsh expressed the words of thanks to the principal, invited speaker, staff members and students.
