The Department of Mathematics, Govt. College Arki, organized the National Mathematics Day celebration on 22 Dec. 2022, on the birth Anniversary of the great Indian Mathematician Srinivasa Ramanujan. Inaugurating the session, Prof. Suman Kumari (Organizing Secretary) welcomed the Chief Guest Dr. Jagdish Chand, all faculty members, participants and all the students in this programme. Dr. Jagdish Chand, Principal Govt. College Arki was the chief guest on this occasion. He said in his address that in 1887, the life of Ramanujan was an enlightening journey in which Ramanujan not only solved many mathematical problems but also presented him to the greatest mathematicians of that time. He also mentioned the role of mathematics in Astrology and Sanskrit.

During the function Mr. Chaman Pista, Asst. Prof. Mathematics gave the presentation about the Ramaunajan Magic Square which was created by Ramanujan using his Date of Birth 22/12/1887. After completing his presentation, he gave the task to the audience to create his own Magic Square. In this celebration of National Mathematics Day, various student-based activities like Quiz competition, Poster Making, Declamation, Mathematical Rangoli, Skit/Play, based on mathematics were organized. As many as 60 students were present on this day. All the students of the department enthusiastically participated in various activities and displayed their talent. The participants, who stood first, second and third in all the activities were congratulated by chief guest and organizing secretary. Professor Suman Kumari gave vote of thanks to the chief guest, faculty members and all the participants. All the teachers, students of the Mathematics Department have commendable contribution in making this event successful.
