ECO CLUB

Eco Club promotes the participation of students and teachers in knowing and improving our environment. The club aims to create mass awareness and incorporate as many people as possible for understanding our environment. Its objectives are:

- To instill love and responsibility towards nature
- To make students understand environment and environmental problems
- To minimize the use of plastic bags
- To create awareness of bio-diversity conservation and local environmental issues
- To create a clean and green consciousness among students through various innovative methods
- To organize plantation drives

ACTIVITY REPORTS FOR THE SESSION 2023-2024

As per the direction of Secretary, Ministry of AYUSH the Aloe Vera Eco Club of Govt. College, Arki, Distt. Solan organized a NukkadNatak and an Exhibition of Medicinal Plants under the theme "Ayurveda for one health" on Ayurveda Day in the college campus on dated 08/11/2023. 25 members of Eco- club participated in these activities. All the teaching and nonteaching staff members along with all students of the college watched these activities.

Through the Nukkad Natak students showed the health friendly benefits of Ayurveda and uses of various domestic plants. They throw a light on side effects and heavy bills of Allopathy. Students tried to discourage the superstitious thinking on falling sick and treatment of disease by Tantriks. In the Exhibition of medicinal plant, students demonstrated on the use of different parts of various medicinal plants.

The Principal of this College, Mrs. Sunita Sharma appreciated the dialogues and acting of the students in these activities. She encouraged the students for plantation and growing one medicinal plant by each student in the campus. Dr. Hem Raj Surya, the convener of Eco Club appreciated the efforts of students to make this event successful. At last, tea and refreshment was served to all the participants.
