

# RED RIBBON CLUB ARKI

Red Ribbon Club is a movement started by the Government of India in College through which students will spread awareness about HIV/AIDS. The Red Ribbon as an awareness ribbon is used as the symbol for the solidarity of people living with HIV/AIDS and for the awareness and presentation of drug abuse and drunk driving. Red Ribbon international is an organization founded in 1993 whose main purpose is the education about prevention of the Human Immunodeficiency Virus or HIV.
