Jyoti	
	Assistant Professor
	Department of Physics
	B.Sc., M.Sc., M.Phil., CSIR- UGC NET, Ph.D. pursuing from NIT Hamirpur
Contact Information	Teaching Experience: 5 years
Mobile: 8580789029	
Email:	Areas Of interest: Meditation, Reading books of spiritualism and
Kaliajyoti.nith@gmail.com	Indian Sants, Music, Painting, writing poems <b>Teaching :</b> Physics for graduate and post graduate students
	<b>Research :</b> Thin Film and Nano Science of Ferrite, Ferroelectric and
	Multiferroic composite materials
	ysics, Quantum Mechanics, Nuclear Physics, Atomic and Molecular odynamics, Nano Physics, Classical Mechanics, Electrodynamics,
Physics, StatisticalPhysics, Thermo Electricity and magnetism	odynamics, Nano Physics, Classical Mechanics, Electrodynamics,
Physics, StatisticalPhysics, Thermo	odynamics, Nano Physics, Classical Mechanics, Electrodynamics,
Physics, StatisticalPhysics,Thermo Electricity and magnetism Research Publications during M	odynamics, Nano Physics, Classical Mechanics, Electrodynamics,
Physics, StatisticalPhysics, Thermo Electricity and magnetism Research Publications during M (1). Strain Induced Structural, Mag Nano-composite Thin Film at Roo	odynamics, Nano Physics, Classical Mechanics, Electrodynamics, .Phil. : gnetic and Ferroelectric Properties of Heterostructure BST-NZFO om Temperature (R.K. Kotnala, G.S. Arya, J.Yogiraj,
Physics, StatisticalPhysics, Thermo Electricity and magnetism Research Publications during M (1). Strain Induced Structural, Mag Nano-composite Thin Film at Roo	odynamics, Nano Physics, Classical Mechanics, Electrodynamics, .Phil. : gnetic and Ferroelectric Properties of Heterostructure BST-NZFO
Physics, StatisticalPhysics, Thermo Electricity and magnetism (1). Strain Induced Structural, Mag Nano-composite Thin Film at Roo N.S. Negi) "BULLEITEN OF M	odynamics, Nano Physics, Classical Mechanics, Electrodynamics, .Phil. : gnetic and Ferroelectric Properties of Heterostructure BST-NZFO om Temperature (R.K. Kotnala, G.S. Arya, J.Yogiraj,
