#### About the **department**

The department of Commerce has the privilege of being one of the leading department of the College. The vision of the department is to focus on the overall progress of the students and impart job oriented skills and knowledge. It intends to generate a pool of productive minds for the corporate sector as well as the community as a whole. The department's mission is to inculcate theoretical as well as practical knowledge among the students through an interactive learning environment. Besides this, it also endeavours to develop a two way learning forum for both the teachers as well as the students which paves a way to college to reach to new heights of Excellence. The department is led by highly qualified and dedicated faculty. Being a productive part of the society, the faculty contributes to the society through community outreach services..
