From the Principal's Desk

Greeting to the Students!

"The purpose of education is to make good human beings with skill and expertise. Enlightened human beings can be created by teachers."

A. P. J. Abdul Kalam

On behalf of Rajkiya Utkrisht Mahavidalaya, Arki,
I warmly welcome you all.

Government College Arki, established in 1994, is a co-educational institute affiliated to HP University, Shimla. The college has achieved a reputation for nurturing and promoting excellence. Our college can boast of well-equipped and digital classrooms and laboratories, language-lab, well-stocked library, spacious playground, green campus and hygienic canteen facility etc. The college currently has 16 Departments and it offers 04 Under Graduate and 04 Post Graduate courses along with Post Graduate Diploma in Computer Application (PGDCA). Besides curriculum, our students are imparted various skills through several trainings, orientation-programmes, workshops and seminars. We are excited to announce that our institution also offers a variety of skill-courses as Add-on courses in Computer Application. We are further pleased to inform you that, Girls' Hostel facility is also available in the campus, providing a comfortable living environment for our girl students.

Our college has been offering Post Graduation programmes in English and History since the session 2023-24 and is going to offer M.A. (Hindi) and M.A. (Political Science) from this session. I am proud to inform you that we have achieved 100% success in the M.A. results so far. Furthermore, we have introduced indoor games and Gymnasium facilities to promote a healthy and active lifestyle among our students. We have started a Cyber Café, run by our own BCA students, to provide on-line form filling facilities in the college campus.

Our college is proud of very dedicated, well qualified, young and enthusiastic faculty and non-teaching staff members, who work hard and collaborate together to provide a wholesome learning environment for our students and for their holistic development.

I welcome you to this enterprising and promising institute to help you in academic pursuits and holistic growth. I sincerely hope that you all will be the architects of our nation that we all envision it to be.

Wish you all the best for a successful and fulfilling academic year ahead.

Warm Regards!

Mrs. Sunita Sharma
PRINCIPAL

RAJKIYA UTKRISHT MAHAVIDYALAYA, ARKI

A Brief Profile

Since its inception in the year 1994, Government College, Arki has proved to be an important educational landmark of District Solan and is imparting education at the undergraduate level in all the three streams, viz., Science, Humanities and Commerce under the Choice Based Credit System (CBCS). However, from the current session i.e., 2026-27, the college will adopt the NEP 2020 Model for teaching-learning. In addition, college also offers BCA, PGDCA self-financing job oriented courses and PG courses in English and History. Located in pristine, picturesque surroundings of Batal Ghatti, just 4 km from Arki, the college offers a very conducive environment for learning and envelopes even those who have the propensity to go wayward. The college, affiliated to H.P. University - Shimla, has brought higher education to the doorsteps of every household in the vicinity. Now, the students don't need to go to other places for their higher learning.

Starting its journey on 15 July, 1994 from the campus of GSSS Arki, initially for two months and thereafter in the temporarily modified premises of Jal Shakti Vibhag, Arki this NAAC accredited, co-educational institution has evolved as a fountain head of learning providing quality education to the students of this primarily rural area. The college was shifted to its present sprawling campus at Batal Ghatti in 1998. Here, it has separate Arts, Science and Administrative Blocks. The Science-Block was constructed with a substantial amount of three crores whereas the construction of the Arts-Block was sponsored by the Gujrat Ambuja Cement Ltd. Though, today, the college possesses adequate infrastructure in terms of class-rooms, laboratories, a library, a well-equipped computer lab with wi-fi connection and a playground etc., yet, in view of the future needs new infrastructure is being added each year. The number of students has exponentially risen from 110 in the first batch in 1994 to about 1000 in 2024. Further, to cater to the needs of SC and ST students (only girls) a four storey hostel has also been constructed. However, the journey does not end here. The process of getting proper affiliation to run P.G. courses in M.A. Hindi and Political Science has already been completed and these courses will be introduced in the current session. As a further step in its response to the changing educational scenario, the college has already applied for the permission to introduce B.Voc. Courses. That is why the college is striving hard for its infrastructural expansion.

The motto of the college is 'विद्ययाऽमृतमश्नुते' (vidyaya mrtam asnute) which means 'We taste immortality through knowledge'. This reflects the vision of the founder members of the college. They were wise enough to envision that the future would belong to people believing in '*meritocracy*' and not '*mediocrity*'. Keeping in with this dream the students also realize in all earnestness that 'quality' and not 'quantity' is the watchword of the time. Hence, the excellent result in the university examination, and the co-curricular achievements of our students, year after year, proves that they are continuing the traditions set by their predecessors. Our Alumni, who are making their presence, felt in all walks of life, carry forth a legacy which exudes more responsibilities than privileges. It is hoped that the college fraternity will consider it sacrosanct to keep the reputation of the institution unsullied.

VISION	To be a key factor for the economic and social transformation of the people of Arki region.
MISSION	To provide multi-dimensional holistic education to the students for enlargement of intellectual and human dimensions

	Total	120	160

Note:* Honours' students not undertaking research will do 3 courses for 12 credits in lieu of a research project / Dissertation.

Curricular components of the undergraduate programme

The curriculum consists of major stream courses, minor stream courses and courses from other disciplines, language courses, skill courses, and a set of courses on Environmental education, understanding India, Digital and technological solutions, Health & Wellness, Yoga education, and sports and fitness. At the end of the second semester, students can decide either to continue with the chosen major or request a change of major. The minor stream courses include vocational courses which will help the students to equip with job oriented skills.

Disciplinary/interdisciplinary major:

The major would provide the opportunity for a student to pursue in-depth study of a particular subject or discipline. Students may be allowed to change major within the broad discipline at the end of the second semester by giving her/him sufficient time to explore interdisciplinary courses during the first year. Advanced-level disciplinary/interdisciplinary courses, a course in research methodology, and a project/dissertation will be conducted in the seventh semester. The final semester will be devoted to seminar presentation, preparation, and submission of project report/dissertation. The project work/dissertation will be on a topic in the disciplinary programme of study or an interdisciplinary topic.

Disciplinary/interdisciplinary minors:

Students will have the option to choose courses from disciplinary/interdisciplinary minors and skill-based courses relating to a chosen vocational education programme. Students who take a sufficient number of courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline or in the chosen interdisciplinary area of study. A student may declare the choice of the minor and vocational stream at the end of the second semester, after exploring various courses.

Courses from Other Disciplines (Multidisciplinary) (9 credits):

All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines given below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. **Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class)** in the proposed major and minor stream under this category.

- i. **Natural and Physical Sciences:** Students can choose basic courses from disciplines such as Natural Science, for example, Biology, Botany, Zoology, Biotechnology, Biochemistry, Chemistry, Physics, Biophysics, Astronomy and Astrophysics, Earth and Environmental Sciences, etc.

- ii. **Mathematics, Statistics, and Computer Applications:** Courses under this category will facilitate the students to use and apply tools and techniques in their major and minor disciplines. The course may include training in programming software like Python among others and applications software like STATA, SPSS, Tally, etc. Basic courses under this category will be helpful for science and social science in data analysis and the application of quantitative tools.
- iii. **Commerce and Management:** Courses include business management, accountancy, finance, financial institutions, fintech, etc.,
- iv. **Humanities and Social Sciences:** The courses relating to Social Sciences, for example, Anthropology, Communication and Media, Economics, History, Linguistics, Political Science, Psychology, Social Work, Sociology, etc. will enable students to understand the individuals and their social behaviour, society, and nation. Students be introduced to survey methodology and available large-scale databases for India. The courses under humanities include, for example, Archaeology, History, Comparative Literature, Arts & Creative expressions, Creative Writing and Literature, language(s), Philosophy, etc., and interdisciplinary courses relating to humanities. The list of Courses that can include interdisciplinary subjects such as Cognitive Science, Environmental Science, Gender Studies, Global Environment & Health, International Relations, Political Economy and Development, Sustainable Development, Women's and Gender Studies, etc. will be useful to understand society.

Ability Enhancement Courses (AEC) (08 credits): Modern Indian Language (MIL) & English language focused on language and communication skills.

Students are required to achieve competency in a Modern Indian Language (MIL) and in the English language with special emphasis on language and communication skills. The courses aim at enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. They would also enable students to acquaint themselves with the cultural and intellectual heritage of the chosen MIL and English language, as well as to provide a reflective understanding of the structure and complexity of the language/literature related to both the MIL and English language. The courses will also emphasize the development and enhancement of skills such as communication, and the ability to participate/conduct discussion and debate.

Skills Enhancement Courses (SEC):

These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

Value-Added Courses (VAC) Common to All UG Students (6-8 credits):

- i. **Understanding India:** The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, the Indian education system, and the roles and obligations of teachers to the nation in general and to the school/community/society. The course will attempt to deepen knowledge about and understanding of India's freedom struggle and of the values and ideals that it represented to develop an appreciation of the contributions made by people of all sections and regions of the country, and help learners understand and cherish the values enshrined in the Indian Constitution and to prepare them for their roles and responsibilities as effective citizens of a democratic society.
- ii. **Environmental science/education:** The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change, and pollution, effective waste management,

conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. The course will also deepen the knowledge and understanding of India's environment in its totality, its interactive processes, and its effects on the future quality of people's lives.

- iii. **Digital and technological solutions:** Courses in cutting-edge areas that are fast gaining prominences, such as Artificial Intelligence (AI), 3-D machining, big data analysis, machine learning, drone technologies, and Deep learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.
- iv. **Health & Wellness, Yoga education, sports, and fitness:** Course components relating to health and wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual, and environmental well-being of a person. Sports and fitness activities will be organized outside the regular institutional working hours. Yoga education would focus on preparing the students physically and mentally for the integration of their physical, mental, and spiritual faculties, and equipping them with basic knowledge about one's personality, maintaining self-discipline and self-control, to learn to handle oneself well in all life situations. The focus of sports and fitness components of the courses will be on the improvement of physical fitness including the improvement of various components of physical and skills-related fitness like strength, speed, coordination, endurance, and flexibility; acquisition of sports skills including motor skills as well as basic movement skills relevant to a particular sport; improvement of tactical abilities; and improvement of mental abilities.

The HEIs may introduce other innovative value-added courses relevant to the discipline or common to all UG programmes.

Summer Internship /Apprenticeship (2 – 4 credits)

A key aspect of the new UG programme is induction into actual work situations. All students will also undergo internships / Apprenticeships in a firm, industry, or organization or Training in labs with faculty and researchers in their own or other HEIs/research institutions during the summer term. Students will be provided with opportunities for internships with local industry, business organizations, health and allied areas, local governments (such as panchayats, municipalities), Parliament or elected representatives, media organizations, artists, crafts persons, and a wide variety of organizations so that students may actively engage with the practical side of their learning and, as a by-product, further improve their employability. Students who wish to exit after the first two semesters will undergo a 4-credit work based learning/internship during the summer term in order to get a UG Certificate.

Community engagement and service: The curricular component of 'community engagement and service' seeks to expose students to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems. This can be part of summer term activity or part of a major or minor course depending upon the major discipline.

Field-based learning/minor project: The field-based learning/minor project will attempt to provide opportunities for students to understand the different socio economic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situations in rural and urban contexts, and to observe and study actual field situations regarding issues related to socioeconomic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures, processes, and programmes that guide the development process. They would have the opportunity to gain an understanding of the complex socio-economic problems in the community, and innovative practices required to generate solutions to the identified problems. This may be a summer term project or part of a major or minor course depending on the subject of study.

Research Project / Dissertation

Students choosing a 4-Year Bachelor's degree (Honours with Research) are required to take up research projects under the guidance of a faculty member. The students are expected to complete the Research Project in the eighth semester. The research outcomes of their project work may be published in peer-reviewed journals or may be presented in conferences /seminars or may be patented.

Other Activities:

This component will include participation in activities related to National Service Scheme (NCC), National Cadet Corps (NCC), adult education/literacy initiatives, mentoring school students, and other similar activities.

Levels of Courses:

Courses shall be coded based on the learning outcomes, level of difficulty, and academic rigor. The coding structure is as follows:

- i. **0-99:** Pre-requisite courses required to undertake an introductory course which will be a pass or fail course with no credits. It will replace the existing informal way of offering bridge courses that are conducted in some of the colleges/ universities.
- ii. **100-199:** Foundation or introductory courses that are intended for students to gain an understanding and basic knowledge about the subjects and help decide the subject or discipline of interest. These courses may also be prerequisites for courses in the major subject. These courses generally would focus on foundational theories, concepts, perspectives, principles, methods, and procedures of critical thinking in order to provide a broad basis for taking up more advanced courses. These courses seek to equip students with the general education needed for advanced study, expose students to the breadth of different fields of study; provide a foundation for specialized higher-level coursework; acquaint students with the breadth of (inter) disciplinary fields in the arts, humanities, social sciences, and natural sciences, and to the historical and contemporary assumptions and practices of vocational or professional fields; and to lay the foundation for higher level coursework.
- iii. **200-299:** Intermediate-level courses including subject-specific courses intended to meet the credit requirements for minor or major areas of learning. These courses can be part of a major and can be pre-requisite courses for advanced-level major courses.
- iv. **300-399:** Higher-level courses which are required for majoring in a disciplinary/interdisciplinary area of study for the award of a degree.
- v. **400-499:** Advanced courses which would include lecture courses with practicum, seminar-based course, term papers, research methodology, advanced laboratory experiments/software training, research projects, hands-on-training, internship/apprenticeship projects at the undergraduate level or First year Post graduate theoretical and practical courses.

Structure of the UG Programme (AS PER NEP 2020 /UGC GUIDELINES)

The Semester-wise and Broad Course Category-wise Distribution of credits of the Undergraduate Programme:

PROGRAMME/ CURRICULAR COMPONENTS

The undergraduate programme seeks to equip students with the capacities in fields across arts, humanities, languages, natural sciences, and social sciences; an ethic of social engagement; soft skills such as complex problem solving, critical thinking, creative thinking, and communication skills, along with rigorous specialization in a chosen disciplinary or interdisciplinary major and minor(s).

Semesters 1 & 2: The students will undergo courses in 4 broad disciplines (major stream, minor stream, 2 broad disciplines (multidisciplinary category) to have basic knowledge not only in major areas but also in two other disciplines broadly grouped under Natural and Physical Sciences, Mathematics, Statistics and Computer Applications, Library, Information and Media Sciences, Commerce and Management, and Social Sciences. With exposure to basic courses in four disciplines, a student can decide to continue the chosen major or change the major and minor areas of interest at the end of the second semester. Additionally, these students will also take up courses of their interest from Ability Enhancement (language), Skill Enhancement, and Value-Added categories.

Change of Major: Students can opt for a change of major within the broad discipline (Natural and Physical Sciences, Mathematical, Statistics, and Computational Sciences, Library, Information and Media Sciences, Commerce and Management, and Humanities and Social Sciences) at the end of the first year.

Additional Seats: The HEIs may create 10% additional seats over and above the sanctioned strength to accommodate the request for a change of major. Any unfilled or vacant seats may be filled with those seeking a change of Major. Preference will be given to those who have got highest CGPA with no arrears in the first year.

Semesters 3 & 4: Students will choose courses of their interest in major and minor to build a career of their interest. They also pursue courses to strengthen their language skills and other skill-augmenting courses and vocational training.

Semesters 5 & 6: Students will undergo higher level courses and related courses during the 5th and 6th semesters in order to gain in-depth knowledge in the major and also in the related disciplines through the minor stream. Students will also gain work-related skills through courses in vocational education. The programme structure will enable the students to gain sufficient knowledge and skills to meet the industry/society requirements.

Semesters 7 & 8: During the 4th and final year, students will undertake advanced level courses in both major and minor streams to get a UG Degree (Honours). Students choose a research component with courses relating to research methodology, advanced courses in theory and applied areas, and seminar presentations. Students may be permitted to carry out a research project or dissertation in another department of the same institution or another institution provided the required facilities are available.

Note:

- i. Only the minimum total number of credits in each semester is indicated above. The HEIs may decide the number of credits for each course (e.g. Major, Minor, Multidisciplinary, etc.) to fulfill the minimum number of credit requirements.
- ii. Students may be permitted to audit course(s) of their choice offered by the HEI provided they meet the pre-requisite for the course.
- iii. Minor stream courses can be from the 3rd 300 or above level and 50% of the total credits from minors must be secured in the relevant subject/discipline and another 50% of the total credits from a minor can be earned from any discipline as per students' choice.
- iv. Students are not allowed to take the same courses studied in the 12th class under the interdisciplinary category.
- v. 40% of the credits in any category may be earned through online courses approved by the Department and Institution as per the existing UGC regulations.
- vi. VIII-Semester core major may be seminar-based with students' presentations and discussions.
- vii. Students may be encouraged to enroll in activities such as NSS / NCC.

Significant Notes
Curriculum and Credit Framework for Undergraduate Programs

1. The prescribed credit weightage includes Lecture, Tutorial, and Practical components.
2. In the first semester, students will be offered three different subjects within the same stream: A, B, and C (Core and Minor are provided here for illustrative purposes only).
3. At the end of the second semester, each student may choose one of two programmes: the Multi-Disciplinary/ Interdisciplinary or Single Core Discipline (Major) programme. The student choosing the latter will be required to give his/her Major and Minor at the end of the second semester. Such choices, including DSCs made at the end of the second semester, shall remain in effect until the VI semester.
4. Additional Seats: The Colleges may create 10% extra seats over and above the sanctioned strength to accommodate the request for a change of major. Any unfilled or vacant seats may be filled with those seeking a change of Major. Preference will be given to those with the highest CGPA and no arrears in the first year/semester.
5. The DSCs of another discipline for the first two semesters of students who opt for Major programmes will be treated as Minors.
6. A DSC offered in one discipline will be treated as a Minor by another. Students can choose Minor Courses from two different subjects, but must earn a minimum of 12 credits in each.
7. MDCs must be selected from a broad discipline/pool of MDCs other than Major and Minor disciplines/subjects.
8. AEC/VAC/SEC-3 should be chosen from a pool of courses. Every discipline shall provide these courses, some of which will be offered discipline-specific, while the rest can be open to students of all other disciplines. However, the two SECs (SEC-1 & SEC-2) must be chosen from the discipline-specific (Core and Minor).
9. A maximum of two language courses can be opted for as Core and Minor. AECs should be in a language other than what is studied in DSCs/Minors.
10. I/A/P/C will be determined at the end of the first semester to enable students to carry out some I/A/P/C activities during winter vacation.
11. To pursue an Honours & Honours with research in the 4th year, students will have to successfully complete 3-year UG Degree and choose only one discipline in both semesters, in which s/he have studied 6 DSCs and 5 DSEs in the first three years.
12. A student who secures 75% or more marks in aggregate till semester 6 (up to a 3-year degree) shall be eligible for a 4-year degree Honours with Research, provided HPU has approved the college to offer it.
13. One course per semester (DSC/Minor/MDC/SEC/etc) from a subject offered in two (or more) different programs (e.g. BCA and BSc/ BPA and BA/ BFA and BA/ Shastri and BA/etc) must be the same.
14. Students in the BA programmes can opt for only one DSC each from the Bachelor of Performing Arts (Dance, Music, Vocal & Instrument/Tabla/ etc.) and the Bachelor of Fine Arts (Painting/Applied Arts/Sculpture/ etc.).
15. Major and Minor shall be awarded on fulfilment of the following conditions: For Major, 64 credits in a 3-year & 84 credits in a 4-year UG programme in a single Major Discipline. For Minor 28 credits in 4-year UG programme in a single Minor Discipline.

16. The Dissertation and Project will start in the VII semester. However, the evaluation and assessment will be conducted in both the VII and VIII semesters.

**As this scheme is being introduced for the first time, it is subject to modifications. Any changes applied in subsequent years after admission to the 1st Year will be retrospectively applicable.*

WORKING IN HARMONY

College Students' Central Association (CSCA):

The College Students Central Association (CSCA) is a statutory body that provides students with a platform to participate in academic and administrative matters of the college. It also coordinates and integrates the activities of various college committees, societies, and clubs.

The CSCA serves as a forum for addressing students' demands and grievances while fostering leadership qualities and problem-solving skills among students. Every year, a constitutional body of student representatives, namely the CSCA, is constituted in accordance with the rules and regulations of Himachal Pradesh University in force from time to time.

Parent-Teacher Association:

Since both parents and teachers are responsible for the welfare of the students, a Parent-Teacher Association has been formed in the college. The main objective of this Association is to foster healthy relationship between the two in order to promote their participation in the growth of the college. Their presence and valuable suggestions are eagerly solicited by the Staff in P.T.A. meetings. Elections to the general body of the P.T.A. are held at the start of academic session every year. The executive body comprises the following members:

1. Principal of the college (Patron of the Body.)
2. Parents or guardians (only those who have blood-relation with the students studying in the college.)
3. Teachers

NOTICE OF ANNUAL GENERAL MEETING OF PTA

Parents may please make it convenient to attend the Annual General House / Meeting of the Parent Teacher Association (PTA) on 2nd week of September, 2026.

It may please be noted that no separate communication regarding the Meeting will be sent. It is the duty of the students to remind and persuade their parents/ guardians to attend the same. Parents must note that their presence, in person, is mandatory during admission or re-admission and during all disciplinary proceedings of their ward. Further, their written consent is also essential for their ward's participation in any educational tour or inter-college event. Parents/Guardians are requested to remain in contact with the college administration regarding the progress of their wards.

Old Students Association (OSA):

The Old Students Association (ALUMNI) of the college was formed in the year 2012-13. It is a platform that ensures the bonding of the college to its students. During the ALUMNI meetings the old students not only revive the memories of their college days but also interact with the students to share their experiences of their professional life. Old/Outgoing students can join this association by filling a simple membership form available on the college website.

CO- CURRICULAR ACTIVITIES

Sports

Realizing the importance of physical fitness for young boys and girls living stressful lives, the college has taken an initiative to train and prepare the players for competing in inter-college and inter-university sports championships in Basket-Ball, Volley-Ball, Badminton, Cricket, Kho-Kho, Athletics, Cross-country, Chess, Handball and Hockey.

The College Magazine

The college brings out the yearly issue of its magazine Pushpita to explore the potential of students and to provide them a platform to give words to the ideas that otherwise remain hidden in the inner recesses of their minds. Students, having a flair for writing, may submit their articles within the specified dates for publication in the magazine.

Clubs and Societies

To encourage and recognize talent in students, numerous academic, cultural and extension activities are organized by the college fraternity throughout the year. Every effort is made to foster a sense of cooperation, responsibility and discipline in young students. Extension activities, undoubtedly, give stimulus to those students who are keen to explore new ideas and horizons. The institution runs various clubs & societies viz.

The Literary Society, The Cultural Society, The Planning Forum, The Red Ribbon Club, Electoral Club, Eco Club Economics Society, Youth Red Cross Society, Road Safety Club

Further, each Department has its own clubs and societies that initiate & undertakes various co-curricular activities like Seminars, Workshops, Group-discussions, PPTs & Paper reading, Quiz competition, Field visits and Project works. Students are also encouraged to celebrate occasions of national importance.

Composition of Subject Societies

1. **President** - Head of the Department
2. **Secretary** - Elected/Nominated student
3. **Joint Secretary** - Elected/Nominated student
4. **Members** - All students of particular Subject

EXTENSION ACTIVITIES

N.S.S.

Serving with the motto NSS 'Not me, but you', the volunteers of the National Service Scheme (NSS) volunteers of the college, have been making sincere contribution in social welfare, and national integration by motivating people to overcome selfishness, serve humanity and building a truly 'Vikshit Bharat'. The college has two units of this organization.

N.C.C.

National Cadet Corps (NCC) is a Tri-service organization comprising the Army, Navy and Air force, engaged in grooming the youth "The Leaders of Tomorrow" into disciplined and patriotic citizens. Students enrolled in NCC are given valuable opportunities to participate in various prestigious camps, including: YEP, RDC, TSC, ALC etc. The NCC unit of the college has been allotted 56 seats so far.

Rovers & Rangers

Activities undertaken by the Bharat Scouts & Guides are primarily based on community development. The college has two units of this organization. Voluntary membership can be obtained by depositing a fee of Rs. 20/- only.

Red Ribbon club

The Red Ribbon Club, meant exclusively for launching an exhaustive campaign against AIDS, is working actively in the College. Any number of students can get registered as volunteers of this club. The Club is not only educating and sensitizing college youth but also taking a lead in reaching out the general public.

Youth Red Cross Club

The college has also initiated Youth Red Cross Club in collaboration with the District and the State Red Cross Societies.

Road Safety Club

The Road Safety Club is working diligently towards the students and general public at large about the traffic rules, laws and safety of all on roads. Regular activities like lectures, workshops, rallies and First-aid trainings etc. are organized from time to time.

CELLS AND COMMITTEES

Career Counselling and Placement Cell

Career Guidance Cell, with the help of subject societies and under the guidance of the committee, guides the students regarding different career prospects and job-inlets in the administrative and professional areas. Resource persons from government and private agencies are also invited. Information of job placements is regularly shared with the students. Clippings of advertisements for different posts/training programmes, from various newspapers, are also displayed on the notice board.

Women's Grievances & Redressal Cell

This cell has been constituted to sensitize the students towards gender discrimination and making the girls aware of their rights and duties. The cell frequently organizes interactive sessions with students to get an insight into women-specific challenges which need to be addressed on priority basis for emancipation of women.

Disaster Management Cell

Disaster Management Cell, with the help of Police Personnel and Home Guards, makes sincere efforts to train and produce a team of young, alert, informed volunteers who will be able to serve without losing equanimity of mind, in the event of any natural or a man-made disaster.

Anti-Ragging Squad/Cell

To sensitize students about the menace of ragging which has sullied the name of many a reputed institution by scarring lives of new entrants, an anti-ragging squad/cell, with Principal as the Chairman, has been formed. Following measures have been taken to ensure safe environs for the seekers of higher education:

- i. Putting up of notices for making students aware of the consequences of indulging in any form of ragging.
- ii. Display of names and phone numbers of members of anti-ragging squad at vital points of the college.
- iii. Regular counselling sessions for students by members of the anti-ragging committee and squad.
- iv. At the time of admission, an undertaking is given mandatorily by the parents that their son/daughter will not indulge in ragging, which both the ward and the parents understand is an offence and is punishable under law.

Anti-Drug Awareness Cell

The Anti-Drug Awareness Cell in college promotes a drug-free campus through awareness campaigns, seminars, and counseling. It educates students about the harmful effects of drug abuse, encourages healthy lifestyles, and collaborates with authorities to prevent drug-related incidents. The cell fosters a safe, supportive environment for all students. Filling of Anti-drug pledge form along with Anti-ragging undertaking is a mandatory pre-requisite for getting admitted in the college.

ANTI-SMOKING/TOBACCO/DRUG WARNING

Smoking and use of tobacco products/drugs is strictly prohibited in the college campus and hostel. Appropriate disciplinary/legal action will be initiated against the guilty.

CODE OF CONDUCT AND DISCIPLINE FOR STUDENTS

The College shall have the jurisdiction over the conduct of its students and to take cognizance of all acts of misconduct, including incidents of ragging or otherwise which may take place in the College campus. Every student will have to observe the following Code of Conduct and Discipline in the college campus:

1. He/she shall be regular in classes. The name of a student will be struck off from the college rolls, if:
 - a) He/she remains absent without sanctioned leave for continuous 10 days,
 - b) Does not attend 60% lectures in a month.
2. Readmission must be sought within seven days of name struck off and the student must be accompanied by his/her parent(s) or guardian.
3. A student without an identity card, duly signed by the Principal, is deemed an outsider and will not be allowed to enter the college premises.
4. All the students are advised to see the college notice board, website and their emails daily.
5. Participating in following activities will invite disciplinary action by the college administration:
 - a) Organizing meetings, processions and slogan shouting without prior permission.
 - b) Loitering aimlessly in the corridors, making noise or disturbing / disrupting classes.
 - c) Smoking, taking drugs/alcohol, chewing tobacco, spitting in the campus.
 - d) Indulging in any rash/unbecoming behavior with the students or the administration.
 - e) Damaging /defacing the property of the institute or an individual.
 - f) Writing obscenities/dirty words on black boards, walls or furniture; banging doors or furniture etc.
 - g) Pasting posters on the walls or notices on the Notice Board without prior permission.
 - h) Interacting with media, in any form whatsoever, on behalf of the College, without the permission of the College authorities.
 - i) Bringing outsiders/miscreants/anti-social elements to the campus.
 - j) Using mobile phones in the campus, except in the space specified (college canteen).
 - k) Parking vehicles in area earmarked for the college staff.
 - l) Rash driving, playing loud music in the campus that may cause any inconvenience to others.
6. Students must deposit their dues on the dates notified otherwise their names will be struck off from the college rolls at the end of that month.
7. Students are expected to use 'social media' carefully and responsibly.
8. Submission of false information of any kind for admission or scholarship etc. is a serious offence. Penal proceedings will be initiated and admission will be cancelled forthwith.
9. All the students are expected to be readily available for social service and other college activities.
10. All the students will be the ambassadors of the college outside the campus too, so they should be courteous.

Note: The students must ensure 60% attendance in a month and 75% in the whole academic session otherwise their names will be struck-off and their Examination forms will not be approved.

IMPORTANT: *If the name is struck-off the rolls thrice, the admission stands cancelled automatically.*

ZERO-TOLERANCE TO RAGGING

RAGGING is completely banned in and around the College campus and hostel, any one indulging in the same will be punished appropriately as per law which may include imprisonment, fine or both, besides expulsion from the college.

Note: Every student, at the time of admission, must fill an online anti-ragging undertaking either at the site www.amanmovement.org or www.antiragging.in and must abide by it.

PROHIBITION OF RAGGING UNDER H.P. EDUCATIONAL INSTITUTIONS ACT

(PROHIBITION OF RAGGING ACT, 2009) defines ‘Ragging’ as doing any act, by disorderly conduct, to a student of an educational institution, which causes or is likely to cause physical or psychological harm or raising apprehension or fear or shame or embarrassment to the student. Such disorderly conduct includes, teasing or abusing or playing practical jokes on or causing hurt to such students or asking a student to do any act or perform something which such students, will not be willing to do in the ordinary course.

A student who commits the offence of ragging shall be punishable with imprisonment for a term which may extend to three years or shall also be liable to a fine which may extend to Rs. 50,000 or both.

If a student is convicted of the charges of committing, abetting, participating or propagating ragging, he shall be dismissed from the college and such students will not get admission in other colleges for a period of three years from the date of his dismissal from the college.
